Everyone moving around, going to their destinations and meeting their friends. They seem to be in such a good mood, because they have one thing in common, they are all living at the center of the most beautiful and most beautiful city in the world, Istanbul. But I am not telling about the millions of tourists who visit the city every year, but about the inhabitants of the city itself, and about those who live there, the people.I am not a tourist in Istanbul, actually. I am a resident. I have been living in Istanbul
