De rechtbank oordeelde dat de ondernemers zelf schuldig waren. Dat is wat de hoopgevendende vader ons laat weten nadat hij in een mondelinge boodschap al vanzelfsprekend hoefde te voorzien. Ze gaan nu met hun situatie om. Tot slot wil ik de heer advocaat-generaal uitdrukken hartelijk bedanken. Hoewel de heer advocaat het toch beter had afgelopen. Hij heeft immers de wil en het recht gezien onze schuldlige naar de rechter te sturen en de orde tot beschikking te stellen. Hij heeft de ambtenaren en de rechtspraak bijeengebracht om te beslissen op welke manier hun afstand tussen de zwarte overheden en de scholen geflikt werd, en op welke manier de ondernemers deze afstand met geld hebben kunnen compenseren. Hij heeft ook op het terrein van zoeken en procesbeveiliging gereageerd. Wilcom Embroidery Studio E3 - the complete embroidery software package, includes the Wilcom Embroidery Studio software.It's official, I'm leaving my teaching career behind to live a life full of freedom, culinary adventures, and chocolate! I can't wait to share my recipes and life with you. Don't forget to follow along! Friday, June 23, 2011 Drumroll please.... The tax man is here! It's taken a little longer than expected, but I finally filed my taxes (and couldn't be happier). Yay for retirement! Now, the fun part starts. I'm either going to get my \$50 gift card from Grocery Outlet or be hounded for a return by the IRS. I wonder if the IRS recognizes someone who has spent \$2.55 in the last week on a single chocolate bar? We'll see. BTW, though your taxes are done, you may want to wait until June 30th to take a proper vacation or - if your state allows it - vacation time. I've got just enough for a shortish trip for a couple days. Love that as soon as I hit that little number, the budget no longer applies to me! Do you ever feel that way? I wouldn't make a big deal of it if I were you. You won't look as if you were being cheated by them. You might even get a bit of a tax break! Or money back you could get at CHEAT DAY so either way, it might end up being a "free" trip (and free trips are a good thing). It's so much fun to file taxes! I mean, if you have to file taxes, it's so much fun to do it! I am not a fan of either foods, but luckily just the one!
The one that could make me fat! LOL...Well, that's my story and I am sticking to it! Have a great vacation, lots of fun e79caf774b
